Skills

- ▶ Relationships/Client management/Team leadership – ability to engender trust with people I work with and to build and retain relationships is a key aspect of my 'brand' of leadership.
- ▶ Software Skills
 - ▶ Full Adobe Software Suite
 - ▶ Freehand, 3D Studio Max, Pencil, Toon Boom Studio
 - ▶ CorelDRAW, CorelPAINTER X
 - ▶ inVision, Figma (similar to Sketch), Wordpress (and similar CMS systems)
- ▶ Good knowledge of PHP, HTML5, Javascript, jQuery, LESS, SASS and CSS
- ▶ Able to take a website from concept, through wire-framing, to deployment using best-practices
- ▶ Currently doing online courses in UX design - have been heavily involved in UX for over two years
- ▶ Exceptional understanding of grammar
- ▶ Adept at writing copy
- ▶ Self-motivated
- ▶ Quick-minded
- ▶ Dynamic

Online Examples

Interests

- ▶ Writing/Illustrating/Creating comics
- ▶ Sports & Video Games
- ▶ Film and Television series
- ▶ 2D animations
- ▶ Guitar & Music

Achievements / Milestones

- ▶ Animated an entire game within 6 weeks from concept to full colour animation - game received more than 50,000 downloads on Google Play (HellDefence by Codeus 2011)
- ▶ Started working at Evoluu as a junior-mid designer and was senior designer within 3 months - studio manager within the year
- ▶ Designed the fastest-selling t-shirt at rAge Gaming Exhibition in 2014 (Joker for the T-shirt Terrorist)
- ▶ Worked closely with LinkedIn on various internal design campaigns - working remotely within various management levels and having to deal with time-zone differences.
- ▶ Been working closely with senior management of big corporates for years – usually remotely as most clients have been internationally based
- ▶ Built efficient systems to improve the workflow of current company using limited resources - evaluating each individual in terms of speed and ability and delegating tasks effectively
